Hi Rick - have relatives coming in late Monday afternoon so should be able to do the conference call any time this week except Wednesday morning. Let me know if you have a common open time slot after say 10 am Tuesday, Thursday or Friday or Wednesday afternoon.

Thanks

Ed

Got your message. Take care of your family first Ed that's the important thing.

Rick/Miranda - sorry to mess with the review schedule but I think Monday morning is looking doubtful for me to take a conference call with you. My Wife's condition is rapidly falling this weekend and we're on 24/7 extra special hospice care of which I'm one of the main parts. Not sure how this week will pan out but after things settle out I'll get back with a makeup time to discuss the SP comments. Again sorry.
